Dear Mr. Weisberg:

The enclosed article on the Kennedy assassination may be of interest to you. (DO NOT RETURN)

I recently obtained a copy of FRAME-UP and intend to submit a review to the Pittsburgh Forum. Possibly a telephone interview could be arranged with WJAS (either by Merle Pollis or Ted Payne) if this is agreeable to you and you wish to talk about your book. Of course this is all tentative.

I hope your health has improved.

Best wishes,

E. J. Bade
